

BUSZCZE - NO. 1 - (USA - ENGLISH)
JUNE 2016.

**(INFORMATIONAL BULLETIN TO
BENEFACTORS
OF BUSZCZE CHURCH)**

Dear Benefactors !!!

A little news from Buszcze. In winter, due to the low temperature nothing special has happened at the church. There was dehydration of the church, after all those years; no roof, doors and windows of the building were very dampened.

Construction crew, which ks. Andrzej involved, dug a trench to insert drains to collect the water going into a well. But we need a long time to get everything dried. Fortunately, the church is located at the top, and so drying will be easier.

Father Andrzej Reminec - pastor of Buszcze, engaged the artists who are preparing elements for the construction of the High Altar of the church.

The first part of the installation will begin in mid-June. It will be modeled on the Altar of what was there before the church was burned in the year 1944 . It is a pity that the picture we have, the details are vague, but as far as possible, we can assume, it will be a faithful copy. These men were in Buszcze to do some appropriate measurements of the Sanctuary and the remains of the High Altar and an Icon frame, which remained to proper proportion has been preserved. They make plans now and gather materials to complete construction before the end of July - the High Altar. Dedication of the High Altar and the full Rededication - Consecration of church is planned for Sunday, July 31, 2016 at 4 pm Ukrainian time. Solemn Reconsecration will be with His Excellency Stanislaw Szyrokoradiuk - Bishop of the diocese of Kharkiv - Zaporizhzhia, with the participation of His Excellency Leo Maly - Auxiliary Bishop of the Archdiocese of Lviv, and invited priests as well as the faithful. There will be lots of work before the ceremony. It takes a lot of our common prayer and money; we can restore this "Holy Place" former dignity and fame. Our religious - patriotic - historical duty, tells us to build our better future for the good of the past.

According to my preliminary calculations to my appeal for the reconstruction of the Church of Our Lady of Buszcze, 160 (families - people) positively answered from USA, Poland, England, Canada, and Ukraine.

My Dear Benefactors!

How much we could do together. For as I wrote in one of my initial Appeals that "grain to grain and gather the scoop."

If you want it, you can have it.. For everything you've done so far for Buszcze I want to thank you Very Much. May God reward you.

Next month in July I will send you some pictures of the work inside the church.

If you work hard to save your family budget to include some amount for the reconstruction of the church in Buszcze; Our Lady of Buszcze will not forget about you and your loved ones. Sooner or later will come to you and your loved ones GRACE, which humanly you cannot imagine, "because the Lord loves the generous giver." In the future, we plan to install a special plaque of benefactors of Buszcze in the church, which adds your names to posterity looking at them sighed for you to God through the intercession of Our Lady of Buszcze.
